Angela Christianson

DELEGADA

My call to Regnum Christi was a moment of intense clarity in 1993 and brought a powerful experience of Christ's mercy giving rise to humble acceptance combined with hopeful trepidation. For several years prior, God had been drawing me deeper into His Heart and His Desires for me, for my marriage and for my family. Easter prior to my call to Regnum Christi was a momentous time for our family when my husband Bob shared his own Baptism and entry into full Catholic Communion with our firstborn daughter's First Holy Communion. What a time of joy this was! Bob and I had prepared together through RCIA with me by his side while accompanying a new sister in Christ into the Church. Along with the gift of Regnum Christi, the year following Bob's conversion brought us each an opportunity to serve as RCIA sponsors. All From Calgary Regnum Christi's earliest moments, I was blessed with responsibilities which challenged my aptitudes and professional training. My relatively short professional career flowed from a Bachelors Degree in Nursing and included work as an NICU nurse then a Childbirth Educator. This lasted 7 years until I shifted full attention to care of our family, practical accompaniment of Bob in his business ventures and work in and for the Church. The first RC team in Calgary wasted no time establishing needed programs. Most notable is

Clear Water Academy (CWA) which opened September 8, 1995. I was head of school for 7 years until a professional was hired. Bob has been part of the CWA Board of Directors since 1996, the year he joined Regnum Christi. In 1997, I was trained as a Spiritual Guide and have been humbled and inspired by this work for the needs of our spiritual family since then. My other responsibilities in Regnum Christi have been Team Leader, AFIRE Coordinator, member of Calgary's RC non-profit Kingsway Association, host family for RC exchange students at CWA, Section Assistant, Section Director and in working to re-establish ECYD in Calgary.

Bob and I are now married 32 years and marvel daily at the great beauty and gift of our family. We have 6 children, 2 sons-in-law and 3 grandchildren. This, along with the great joy of being part of Regnum Christi at this historic moment of our renewal into strength and freshness has given me the grace of a life filled with deep peace and passionate purpose.

Hobbies

My hobbies include sports of all kinds, reading, music, politics, psychology, culture and current events - I love to talk about any or all of these subjects!
