DELEGADA

I met the Regnum Christi Movement for the first time in 1998. Following a period of discernment, I knew I could no longer put off the Holy Spirit's invitation. Regnum Christi was God's answer for my restless heart. My vocation in the Movement from the very beginning was not a gradual incorporation but one baptized with excitement, joy, and apostolic zeal. I have had the blessing to work in ECYD, Familia, serve as an encounter team leader, a vocation promoter, a Section Assistant, a Section Director, Mission Youth Mission leader and LCA. Currently, I have the pleasure of working on the Territorial Committee for North America and as Assistant to the Territorial Director for the Localities. My husband Jeff and I have been married for 28 years and we have 4 young adult children who grew up in the Movement. The beautiful gift of Regnum Christi has richly blessed my marriage and my family. I am forever grateful to our Lord for all that He has given us through this spiritual family.
