DELEGADA

On Easter Sunday 2008, I became a 1st degree RC member after attending my second Holy Week Mission. From 2010-2012, I served as the president of Mission Youth Philippines and as a resource speaker for various RC events, particularly on the topics of basic organizational development and the New Evangelization. In 2013, I represented the Philippines in the first Convention in Rome for the 1st and 2nd degree members of Regnum Christi. Just last year, I discerned with the Consecrated Women of Regnum Christ, but felt called to return home and eventually incorporated into 2nd degree. I'm currently on my third year as a Middle School Science teacher, homeroom adviser, formation instructor, and Dean of Students at Everest Academy Manila.

Hobbies

I'm an avid cyclist and a voracious reader. My favorite topics of conversation are education, philosophy, theology, literature, and science. I love being around kids and animals!
